Dear Sir,

As per our discussion back in December, I am writing to request a refund of the \$30 sign permit charges assessed to us for the placement of our "Christmas Eve Service" sign, which was placed on church property out front of the church.

This sign is placed annually out on church property; with the information regarding the "Christmas Eve Service". The sign was in the church yard, same as has been for twenty years or so without an issue, or permit fee.

We would greatly appreciate your consideration in assisting us with the matter of refunding the \$30 permit we paid to the city, as per what we were charged.

Respectfully

Rev. James Goldsmith
